### **The Fairy**

As I'm sure you know there is an enchanted fairy on the border of Shalott (the village close to Camelot). She sings tunes all day long. According to a little boy – King Arthur as a child – he heard her voice and now lives in a castle as the king of Camelot (all of his dreams come true). No one has ever seen her face, will you be the first?

### **The River**

This spectacular river leads to the sea so we have shipments every day to feed our growing population. This amazing river has clear water which sparkles in the everlasting sun. The fabulous river is home to many wildlife such as: fish, turtles, sea horses, starfish and much much more. No fishing! But you can spend a wonderful day on the water.

### **Law and Order**

In Camelot we take pride in our security: we assure you that any crime will be taken care of. We have a strong team of knights who will be on the crime scene in seconds (if you see anything out of the ordinary then find a knight).

### **Shops**

In Camelot we have a range of different shops such as ... Sally's Sweets, Cathy's Clothes, Rachel's Restaurant and Bob's Bakery. King Arthur himself went to all these shops, will you see him?

Come to Camelot there is a place with a house you can call a home. Do you want to live in Camelot? I know the answer so just pack your bags and leave to go to Camelot!
